

Costume Guide 2021

Please label all costumes and shoes with your dancer's name.

Wrinkled costumes can be hung in a bathroom during a steamy shower or lightly steamed. Do not iron.

Costumes should not be worn around the house or as dress up until *after* the recital.

We DO NOT recommend washing any costumes until AFTER Photo Day and recital. We are not responsible for any missing pieces/damage to costumes once they are sent home.

If necessary, when washing your costumes, please ensure they are washed in cold water only on a gentle cycle, preferably using a lingerie wash-bag to ensure that they are not damaged. Costumes should not be tumble-dried, and take care not to over-expose them to direct sunlight.

Any costumes with sequins or embellishments must be hand washed in cold water.

Enjoy food and drink before or after wearing costumes. We want everyone to look perfect and don't want to risk food stains!
